Freshly produced Ceylon tea is transformed into a tea concentrate within hours. Locking in the freshness & natural antioxidants with the assurance of REAL Ceylon Tea taste. DILMAH ELIXIR OF TEA is naturally richer in antioxidants since it's made from garden-fresh tea.

Just add water, convenience without compromising quality. Make iced tea, tea infused water, sparkling iced tea, frozen tea (with slush machine).

World class pastry, New Zealand made, and now, taking care of our environment!

For 30 years Quality Foods Southland have made the finest 5kg and 9kg pastry rolls for New Zealand's commercial bakers.

High quality white pastry flour, grown and milled in the South Island, delivers the light and golden pastry you love.

That will not change, but we can make it better for the environment.

70% LESS plastic!
Paper replaces 100's of kilometres of single-use plastic

Doing the right thing for others

Made with recycled components and recyclable

...with NEW non-stick paper interleave!

NEW!

3.5kg GLUTEN FREE frozen pastry roll

We know the demand for gluten free is off the chart, but there are few places someone with Coeliac disease, or more commonly, gluten intolerance can find a sweet or savoury pastry option.

That world-famous-in-New Zealand pie recipe you make with your normal flaky pastry can now be made Gluten free too. And sausage rolls, apple turnovers and tarts... all right off the roll.
